***Visit Days:** Visit days are an opportunity for a parent to visit the classroom along with their child, to meet the teachers, and to learn about what to expect at preschool. One parent per child may attend the visit day along with their child. The visits take place in small groups, and we will take 10 minutes in between to sanitize the classrooms. Parents are required to wear a face covering over the nose and mouth during the 30-minute visit. You received a scheduled time for your Visit Day in March when you enrolled.
